## STEWARDSHIP THOUGHT FOR THE WEEK OF FEBRUARY 3<sup>rd</sup>

In today's second reading we find one of the most beautiful and familiar passages in the Bible; a recitation of 15 characteristics of Christian love typically read at weddings and anniversary celebrations. Of course, this was not what Saint Paul had in mind when he was chastising the Christian community at Corinth for its lack of love. He admonished the members of the community to exercise better stewardship of Christian love. The practice of patience, humility joy, truth, peace, affirmation, and hope are ways good stewards put love into action. Might there be one or two of these attributes we can work on in order to grow in our love for God and others?
